Dear Jim:

On June 30, 2016, Kendell and Andy met with you to discuss the 2016 Annual Operating Instructions for the Clear Creek Allotment. The pasture rotation and numbers agreed upon are as follows:

| <b><u>Pasture</u></b> | <b><u>Head</u></b> | <b><u>Dates</u></b>        |
|-----------------------|--------------------|----------------------------|
| East                  | 125 cow/calf       | August 1 to September 9    |
| North                 | 125 cow/calf       | September 10 to October 20 |

The South Pasture will be rested this year. The desired utilization level for the 2016 grazing season will be 30% on key species within key areas. Adjustments to this rotation may be needed during the grazing season to accommodate to changing conditions. This letter will serve as your Annual Operating Instructions for the 2016 grazing year.

By this letter, I also authorize you and ranch personnel to cut, use, or remove any trees needed for fence posts and stays for maintenance of structural range improvements within the Clear Creek Allotment. A copy of this letter must be in possession by you or them while engaged in any tree cutting related to this activity.

If you have any questions, please contact Kendell, Matt, or Andy at the Black Mesa Ranger District, (928) 535-7300.

Sincerely,

CHRISTOPHER JAMES  
District Ranger
