

House Engrossed

State of Arizona
House of Representatives
Forty-fourth Legislature
Second Regular Session
2000

HOUSE JOINT RESOLUTION 2001

A JOINT RESOLUTION

DENOUNCING THE ESTABLISHMENT OF NEW NATIONAL MONUMENTS IN THE STATE OF ARIZONA WITHOUT FULL PUBLIC PARTICIPATION, CONSENT AND APPROVAL OF LOCAL GOVERNMENTS, THE ARIZONA LEGISLATURE, THE GOVERNOR AND CONGRESS.

(TEXT OF BILL BEGINS ON NEXT PAGE)

1 Whereas, the establishment of two national monuments in Arizona by the
2 President of the United States represents a misuse of the Antiquities Act of
3 1906 to set aside enormous parcels of real property. The Antiquities Act (16
4 United States Code sections 431, 432 and 433) grants authority to the
5 President of the United States to establish national monuments, but the Act
6 was intended to preserve only historical landmarks, historic and prehistoric
7 structures and other objects of historic or scientific significance; and

8 Whereas, the proposed designation of two national monuments in Arizona
9 clearly violates the spirit and letter of the Antiquities Act, which requires
10 monument lands to "be confined to the smallest area" necessary to preserve
11 and protect historical areas or objects; and

12 Whereas, the people of Arizona, the Arizona Legislature, the Governor
13 of Arizona and the Congress of the United States have not consented or
14 approved this designation, yet the creation of two new national monuments in
15 Arizona could potentially have a significant economic impact on this state.
16 Instead of working as a partner to help local communities and states define
17 and achieve their conservation goals, the federal government dictates
18 unilateral actions that would affect this state and exclude citizens and
19 local governments from determining land management decisions in their
20 communities; and

21 Whereas, land management and conservation efforts are best administered
22 and managed at the local levels of government. The failure of the federal
23 government to recognize and respect this basic tenet represents an arrogant
24 usurpation by federal powers and a violation of states' rights.

25 Therefore

26 Be it resolved by the Legislature of the State of Arizona:

27 1. That the Legislature denounces the designation of two national
28 monuments in the State of Arizona without full public participation, consent
29 and approval of local governments, the Arizona Legislature, the Governor and
30 the Congress of the United States.

31 2. That the Congress of the United States take action to prevent the
32 designation of any national monuments in this state without full public
33 participation, consent and approval of local governments, the Arizona
34 Legislature, the Governor and the Congress of the United States.

35 3. That the Secretary of State of the State of Arizona transmit a copy
36 of this Resolution to the President of the United States, the United States
37 Secretary of the Interior, the President of the United States Senate, the
38 Speaker of the United States House of Representatives and each Member of
39 Congress from the State of Arizona.

APPROVED BY THE GOVERNOR APRIL 3, 2000.

FILED IN THE OFFICE OF THE SECRETARY OF STATE APRIL 04, 2000.
