Dear Jim:

On June 29, 2015 you met with Kendell to discuss the 2015 Annual Operating Instructions (AOI) for the Clear Creek Allotment. The numbers and rotation authorized for this year are as follows:

<u>Pasture</u>	<u>Numbers</u>	<u>Dates</u>
South	125 cow/calf	August 1 to September 9
North	125 cow/calf	September 10 to October 20

The East pasture will be rested this year. The desired utilization level for the 2015 grazing season is 30% on key species within key areas. Adjustments to this rotation may be needed during the grazing season to accommodate changing conditions. This letter will serve as your Annual Operating Instructions for the 2015 grazing season.

By this letter, I also authorize you and ranch personnel to cut, use or remove any trees needed for fence posts and stays for maintenance of structural range improvements within the Clear Creek Allotment. A copy of this letter must be in your possession while engaged in tree cutting.

Any new projects must be reviewed with the Forest Service and all clearances must be obtained before beginning a new project. Please be aware that these clearances may take a year or more to obtain. I am willing to meet with you to hear and discuss any concerns related to these Annual Operating Instructions. If you have any questions, please contact Kendell, John or Andy at (928) 535-7300.

Sincerely,

CHRISTOPHER JAMES
District Ranger
