Dear [REDACTED]:

On April 24, 2013, you met with Kendell to discuss your 2013 Annual Operating Instructions for the Chevelon Canyon Allotment. You applied for and I have approved 100 head of cattle. As discussed, your pasture rotation will be as follows:

<u>Pasture</u>	<u>Head</u>	<u>Dates</u>
Circle Bar Pasture	100 head	June 15 to August 15
Breed Pasture	100 head	August 16 to September 15
Sandpoint Pasture	100 head	September 16 to October 15

These dates are tentative as adjustments may be needed throughout the season, based on resource conditions. Fences need to be in good repair prior to putting livestock on the Allotment. Prior to turning out on the Allotment, I ask that you contact Kendell, John Kiefer, or Andy Habgood, with the date, time and location of unloading and the number of animals. This letter will serve as your 2013 Annual Operating Instructions, and I must approve any changes to these instructions, prior to them occurring. If you have any questions please contact Kendell, John Kiefer, Andy Habgood, or me at (928) 535-7300.

Sincerely,

/s/Christopher J James
