## Project Funding Update – Ruth Gregory, Game Program Coordinator

The 2010 funding coordination meeting, between AGFD staff and our wildlife conservation organization funding partners was held on January 30, 2010. And here we are again, gearing up for the new cycle, which is right around the corner! Where does the time go? Project proposals continue to move toward the goal of landscape level planning and getting the most benefit for all the hard-earned dollars spent. The following projects were approved for funding at the January 30<sup>th</sup> meeting:
