

LOFFAP Grants awarded in 2023

Grant #	Ranch Name	Applicant Name	Award Amount	Project Description
LOFFAP2024-1-02	Gryphon Ranch LLC	Carol Ptak	\$ 245,000.00	This project will restore the infrastructure and forage of Gryphon Ranch to the capability before the Mescal/Telegraph fire's devastation of the ranch upslope and 22 subsequent flooding events. This project will leverage the UofA research from the past 2 years to also provide a proof of concept for their recommendations to revegetate ranch land fires.

Received from Arizona Department of Agriculture on January 23, 2024, in response to a public record request.
