

File Code: 2230
Date: May 20, 2024

Dear Permittee:

On May 7th, 2024, you spoke with Allison via e-mail to discuss the 2024 Annual Operating Instructions (AOI) for Arab Allotment. The pasture rotation and numbers discussed are as follows:

<u>Pasture</u>	<u>Numbers</u>	<u>Dates</u>
Butler	27 c/c	June 1 to July 15
Aniceto	27 c/c	July 16 to August 17
Buckwheat	27 c/c	August 18 to September 14
Jackson	27 c/c	September 15 to October 31

The desired utilization level is 25% to 35% on key species in the key areas and we would like to monitor utilization with you or ranch personnel after the livestock leave a pasture.

The pasture rotation, season of use and numbers may vary depending on several factors including, but not limited to, precipitation, water availability and forage conditions. If an adjustment to the rotation is needed, please contact Allison in advance.

By this letter, I also authorize you or persons employed by you, to cut or remove any trees needed for fence posts and stays for maintenance of range improvements on the Arab allotment. A copy of this letter must be in possession while engaged in any tree cutting.

This letter will serve as your 2024 Annual Operating Instructions for the Arab Allotment. If you have any questions please contact Allison, Kendell or Andy at (928) 368-2100.

Sincerely,

/s CHARLES DENTON
District Ranger
