Dear Rodney,

On April 20, 2016 you met with Kendell and Matt to discuss the 2016 Annual Operating Instructions (AOI) for the Black Canyon Allotment. The grazing schedule and numbers as discussed and approved are as follows:

<u>Pasture</u>	<u>Numbers</u>	<u>Dates</u>
King Phillip	80 c/c	May 26 to July 9
Stermer	80 c/c	July 10 to August 13
Sharp Hollow	80 c/c	August 14 to September 24
Porter	80 c/c	September 25 to October 22
Nelson/HP	80 c/c	October 23 to October 31

The pasture rotation, season of use and numbers may vary depending on several factors including weather and forage conditions. The desired use is 25% on key species in key areas. We will contact you to monitor the use levels after livestock leave a pasture.

By this letter, I authorize you to cut or remove any trees needed for fence post or stays for the maintenance of structural range improvements within the Black Canyon Allotment.

This letter will serve as your 2016 AOI. If you have any questions, please give us a call.

Sincerely,

CHRISTOPHER JAMES
District Ranger
