

File Code: 2230
Date: March 8, 2024

Dear Permittee:

On February 27th, 2024, Allison, Andy and Kendell met with you to discuss the 2024 Annual Operating Instructions (AOI) for the Clay Springs Allotment. The pasture rotation and numbers agreed upon are as follows:

<u>Allotment</u>	<u>Pasture</u>	<u>Numbers</u>	<u>Dates</u>
Clay Springs	Town	4 cow/calf	March 1 to April 5
Clay Springs	+IL	4 cow/calf	April 6 to April 30
Clay Springs	Summer North	4 cow/calf	May 1 to May 31
Clay Springs	Summer North	6 cow/calf	June 1 to July 12
Clay Springs	Summer South	6 cow/calf	July 13 to October 31
Clay Springs	New Tank HP	4 cow/calf	November 1 to November 8
Clay Springs	+IL	4 cow/calf	November 9 to December 6
Clay Springs	Town	4 cow/calf	December 7 to January 17
Clay Springs	Powerline	4 cow/calf	January 18 to February 28

Utilization for the 2024 grazing season should not exceed an average of 30% in all pastures on key herbaceous species and 45% on key browse species. Adjustments to this rotation may be needed during the grazing season. Any adjustments to the rotation need to be coordinated and approved by Forest Service TWO weeks prior to the scheduled move date. When moving between pastures, livestock need to be completely moved out of the pasture within 3 days on either side of the planned rotation date.

By this letter, I also authorize you to cut, use or remove any trees needed for fence posts and stays for maintenance of structural range improvements within the Clay Springs Allotment. A copy of this letter must be in possession with you while engaged in any tree cutting.

Also discussed during the AOI was the need to maintain the fence line between +IL and Town pastures, for which the Forest Service will provide needed materials. These and any other ground disturbing activities need to be coordinated with the Forest Service to obtain all clearances before work is to begin.

If you have any questions, please contact Allison, Kendell, or Andy at Black Mesa, (928) 535-7300. This letter will serve as your Annual Operating Instructions for the 2024 grazing year on the Clay Springs Allotment.

Sincerely,

/s RICHARD D. MADRIL
District Ranger
