Please fill out a Modification of AOI form in advance of the proposed dates and request approval. Please maintain and submit records that indicate your compliance to permitted use. You are authorized 74 adult cattle and 10 bulls yearlong and 20 yearlings 1/1/2022-5/31/2022.

Please note that any pastures impacted by the Telegraph Fire that have not been grazed require inspection prior to AOI modification approval.

**Range Improvement Maintenance:** All range improvements must be maintained to Forest Service standards (available at District Office) before cattle will be allowed to enter pastures. Stock Tank cleaning is authorized provided there is a Forest Service road or motorized vehicle trail to said stock tank, and only until fire restrictions begin. You must contact Ryan Summers or Jamie Wages 1 week prior to cleaning each tank to receive final clearance. Absolutely no exemptions will occur once fire restrictions begin.
