I ask that you work closely with the Range Program here on the district to ensure that the resource is protected, and a successful operation can continue. As a reminder, under Part V. Sec 2 or your AOI,

*“Any change or deviation from this Annual Operating Instructions is to be coordinated and confirmed in advance with the District in an AOI amendment. Additionally, as per terms and conditions of the grazing permit, the permittee shall provide 5 days’ notice of moving livestock on or off the allotment. Credit or refunds generated are based upon this documentation.”*

If an additional AOI amendment is needed in the future to ensure that no resource damage is done, or unforeseen circumstances arise, please contact the Range program.

If there are any questions feel free to call or email Colt Pierson.

Sincerely,

VINCENT VOELKER  
District Ranger
