

2025 - 2026
Annual Operating Instructions
Amendment #1
Hassayampa Allotment

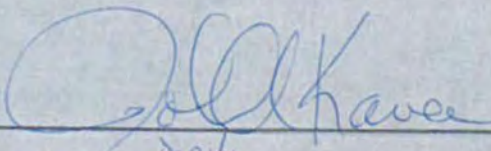

This document serves as Amendment #1 of your Annual Operating Instructions (AOI). This amendment only affects section II Grazing Schedule of the AOI.

The Planned Graze period was adjusted per Adaptive Management Principles. The livestock trail leading to Middlewater Well is currently washed out, only allowing use from Carter pasture. To mitigate, Carter and Middlewater pastures will be grazed together at the end of the season.
