Re: Public Records Request 21-51 and 21-54

Dear Mr. Burgess:

Pursuant to your Public Records Request No. 21-51, attached are the requested Heritage Fund Reports to the Arizona Legislature. The reports for 1995 and 2012 are not attached as we were unable to locate those two reports.

Pursuant to your Public Records Request No. 21-54, a grant was awarded in 1993 in the amount of \$4,400.00 for the project entitled, "Arnett Creek Native Fish Establishment - Phase I".

If you have any questions or require further assistance, please contact the Arizona Game and Fish Department, at (602) 942-3000.

Sincerely,

A handwritten signature in cursive script, appearing to read "Tom Finley".
