COOPERATIVE STEWARDSHIP AGREEMENT
FOR RECREATIONAL ACCESS**

This COOPERATIVE STEWARDSHIP AGREEMENT (Agreement) for recreational access is entered into between Clay and Sandra Overson, dba Francis Creek Ranch (Bureau of Land Management, Francis Creek Allotment) ("Landowner"), and the State of Arizona through the Arizona Game and Fish Commission (Commission) and its administrative agency the Arizona Game and Fish Department (Department) (collectively "Parties" and singularly "Party"), for the purpose of providing public recreational access through, upon, or across lands owned or legally controlled by Landowner ("Subject Property") as illustrated on Exhibit A attached hereto.

WHEREAS, the Commission is authorized to enter into this Agreement pursuant to A.R.S. § 17-231(B) (7);

WHEREAS, said Subject Property(s) contains recreational access routes, as illustrated on Exhibit A, necessary for entry purposes to publicly held lands beyond Subject Property, and no other public entity owns or controls the necessary access points to those publicly held lands;

WHEREAS, the Parties agree that the goods or services provided by the Department will be used by the Landowner for a public purpose as described herein, and that the benefit derived to the public as the result of such goods or services will equal or exceed the value of the goods or services;

WHEREAS, the landowner is under a 10 year lease agreement with Byner Cattle Company to graze cattle, maintain access and maintain habitat improvements that benefit the public good on the Bureau of Land Management, Byner Allotments and other private lands adjacent to the Francis Creek allotment (Yavapai and Mohave Counties), Freeport McMoRan Copper and Gold Inc. owner, to be included in the "Subject Property".

A. The Arizona Game and Fish Department Shall:

1. Provide funding to the Landowner in an amount, not to exceed, eighty-thousand dollars (\$80,000.00) for tank improvements, equipment, materials and/or labor needed for ranch operations, roads and wildlife habitat improvement on the Subject Property owned or under lease by the Landowner.
2. The payment for the materials and/or labor to complete the desired improvements will be in one installment of \$80,000.00 and will be provided upon signature of this Agreement by both Parties.

2. To the greatest extent practicable, utilize funding for equipment, materials, and labor to improve ponds, water tanks, roads, and wildlife habitat, as well as other maintenance that will help maintain ranch operations.
3. Should the property rights to the Subject Property be transferred to another Party during the term of this Agreement, the terms and conditions of this Agreement shall be transferred, with the Subject Property, to such other Party, unless the Agreement has been terminated or expired.
