Dear Jay:

On April 2, 2013 you and Quinn Smith met with Kendell, John and Andy to discuss the 2013 Annual Operating Instructions (AOI) for the Johnson Allotment. The grazing numbers and season of use as discussed are 25 c/c from August 1 to September 30. Adjustments to these numbers and season of use may be needed during the grazing season.

The desired utilization level is 25% to 30% within key areas on key species. We would like you to monitor utilization after leaving the allotment.

These Annual Operating Instructions are appealable under 36 CFR 251. If you decide to appeal these instructions, you must file a notice of appeal in accordance with 36 CFR 251.87. You have 45 days from the date of these Annual Operating Instructions to file a notice of appeal with the Forest Supervisor, Apache – Sitgreaves National Forests, P.O. Box 640, Springerville, AZ 85938 and you must send a copy of the appeal to the District Ranger, Lakeside Ranger District, 2022 W. White Mountain Blvd., Lakeside, AZ 85929. It is the responsibility of the appellant to provide the Forest Supervisor sufficient narrative evidence and argument to show why the decision should be reversed or changed in accordance with 36 CFR 251.90

I am willing to meet with the permittee to hear and discuss any concerns or issues related to these Annual Operating Instructions. This letter will serve as your 2013 Annual Operating Instructions for the Johnson Allotment. If you have any questions please contact Kendell, John or Andy at (928) 368 – 2100.

Sincerely,

/s/ Edward W. Collins
