Dear Permittee:

On May 25, 2021, you spoke with Kendell over the phone to discuss your 2021 Annual Operating Instructions (AOI) for the Limestone Allotment. Due to the current lack of water on the Allotment, it was agreed upon that you would take non-use for resource protection for the 2021 grazing season. During non-use, you are still expected to keep up on range improvement maintenance. This letter will serve as your 2021 Annual Operating Instructions for the Limestone Allotment. If you have any questions, please feel free to contact Kendell, Andy, or Allison at the Black Mesa office, (928) 535-7300.

Sincerely,
