PROPOSED DECISION

I have reviewed the Lucky Hills Range Improvement Determination of NEPA Adequacy (DNA), DOI-BLM-AZ-G022-2026-0001-DNA, available online at ePlanning.blm.gov. Based on that review of the proposed action in the DNA documentation and field office staff recommendations, I have determined that the Proposed Action is in conformance with the Environmental Assessment (EA): SPRNCA Allotments Lease Renewals Environmental Assessment (DOI-BLM-AZ-G020-2021-0013-EA), BLM Tucson Field Office, San Pedro Riparian National Conservation Area, December 2022. It is my decision to approve the action as proposed.

COMPLIANCE AND CONFORMANCE

PUBLIC INVOLVEMENT

The proposed action in the DNA is a feature of the proposed action in the EA. The proposed project was presented and discussed with the SPRNCA Upland Working Group in 2025. Lucky Hills allotment grazing lessee was included when drafting the proposed action. Tribes were consulted prior to the publication of the EA on ePlanning.

Any applicant, permittee, lessee, or other person whose interest is adversely affected by the final decision may appeal the decision to an administrative law judge in accordance with 43 CFR 4160.3(c), 4160.4, and 4.170. Any notice of appeal must be filed with the Departmental Cases Hearings Division (DCHD) and must include a copy of the decision or proposed decision being appealed, a statement of standing, a statement of timeliness, and a statement that clearly and concisely states the reasons why the appellant believes the BLM grazing decision is incorrect. The statement must contain specific factual allegations related to the BLM grazing decision being appealed and a summary of the applicable legal arguments. If you wish to file a petition for a stay of the effectiveness of this decision during the time that your appeal is being reviewed, the petition for a stay must accompany your notice of appeal (see 43 CFR 4.171).

A petition for a stay must demonstrate that issuance of a stay is warranted based on the following criteria: (i) The likelihood of immediate and irreparable harm if a stay is not granted; (ii) Whether the harm to the appellant absent a stay exceeds the harm to the United States and other parties from a stay being granted; (iii) The likelihood of the appellant's success on the merits; and (iv) Whether the public interest favors granting the stay.

The appellant must serve a copy of the notice of appeal and any accompanying documents on the office of the officer who made the decision; each person or entity named in the decision; and the appropriate official of the Office of the Solicitor at the same time you file them with DCHD (see 43 CFR 4.170(c)). Parties must serve the Office of the Solicitor as specified in the OHA Standing Orders on Contact Information (<https://www.doi.gov/oha>). Service on a party known to be represented by an attorney or other designated representative must be made on the representative
