Please describe the conduct that you believe violated the Open Meeting Law:

On November 11, 2021, I submitted an Open Meeting Law complaint against the Payson Natural Resource Committee (PRNC), a regional subcommittee of the Department's Habitat Partnership Committee for keeping incomplete minutes. In addition to that complaint, on that same day I submitted a Public Record Request (#21-109) to the Department asking for the information that was missing from the the PRNC's minutes. Today I received their response wherein they claimed they were "unable to locate any records matching your description."
