Dear Permittee:

On October 18, 2022, Andy met with you to discuss the 2022 Annual Operating Instructions (AOI) for the Pierce Wash Allotment. The pasture rotation and numbers agreed upon are as follows:

<u>Pasture</u>	<u>Head</u>	<u>Dates</u>
North	85	November 10 to December 20
South	85	December 21 1 to March 10

Utilization standards for the 2022 grazing season should not exceed an average of 25% on key species in key areas. Any adjustments to the rotation need to be coordinated and approved by the Forest Service. By this letter, I also authorize you or people working for you to cut, use or remove any trees needed for fence posts and stays for maintenance of structural range improvements within the Pierce Wash Allotment. A copy of this letter must be in possession with you or them while engaged in any tree cutting related to this activity.

If you have any questions, please contact Kendell, Allison, or Andy at the Black Mesa District Office, (928)535-7300. This letter will serve as your Annual Operating Instructions for the 2022 grazing year on the Pierce Wash Allotment.

Sincerely,

RICHARD D. MADRIL
District Ranger
