Dear Bob & Sug,

This letter will serve to void the Annual Operating Instructions (AOI) for the Pinyon Allotment for the 2011 grazing season that were sent to you dated June 29, 2011. Since the above mentioned letter was sent to you, you have chosen not to graze the allotment in the 2011 grazing season, providing the option for the Pinyon Allotment to be grazed by another permittee. Daric Knight has expressed interest in the allotment and will graze it this year for the remainder of the grazing season.

Sincerely,

/s/ Edward W. Collins
