Dear Permittee:

On May 02, 2019, Matt and Andy met with you to discuss the 2019 Annual Operating Instructions (AOI) for the Pinyon Allotment. The numbers and rotation authorized are as follows:

Table with 4 columns: Allotment, Pasture, Numbers, Dates. Rows include Pinyon East (56 cow/calf, June 1 to August 15) and Pinyon West (56 cow/calf, August 16 to October 31).

You proposed to run 6 horses on the allotment in conjunction with the cows, which I have authorized for this year. The desired utilization level for the 2019 grazing season will be 35% on grasses and forbs across the allotment. Adjustments to this rotation may be needed during the grazing season to accommodate to changing conditions. This letter will serve as your Annual Operating Instructions for the 2019 grazing season.

By this letter, I also authorize you and ranch personnel to cut, use, or remove any trees needed for fence posts and stays for maintenance of structural range improvements within the Pinyon Allotment. A copy of this letter must be in possession by you or them while engaged in tree cutting.

Any new projects must be reviewed with the Forest Service and all clearances must be obtained before beginning the new project. I am willing to meet with you to hear and discuss any concerns or issues related to these Annual Operating Instructions. If you have any questions, please contact Kendell, Matt, or Andy at the Black Mesa office (928) 535-7300 or at the Lakeside office (928) 368-2100.

Sincerely,
