

File Code: 2210 Scarborough

Date: January 15, 2020

(b) (6)

Dear Permittee:

The following are your 2020 annual operating instructions (AOI) for your allotment.

**Authorized Use** Below are authorized livestock numbers per grazing unit, anticipated use dates, and proposed monitoring dates. Please fill out a *Modification of AOI* form in advance of the proposed dates and request approval. Please maintain and submit records that indicate your compliance to permitted use. You are authorized 70 adults and 6 bulls yearlong, 3 horses from March 1 through August 31<sup>st</sup>, and 9 yearlings from January 1 through May 31<sup>st</sup>.

Grazing Unit	Dates of Use	Monitoring Date
Reservation	3/8/2020 to 5/31/2020	4/14/2020
Copper Hills	6/1/2020 to 8/23/2020	7/7/2020
Cammerman	8/24/2020 to 10/17/2020	9/8/2020
Richmond	10/18/2020 to 12/6/2020	11/17/2020
Chrome	12/7/2020 to 2/28/2021	TBD

**Range Improvement Maintenance:** All range improvements must be maintained to Forest Service standards (available at District Office) before cattle will be allowed to enter pastures. It is your responsibility to be aware of and comply with fire restriction.

Pasture	Location	Description of Work	Clearances Needed
Reservation	Reservation Boundary Fence	Request Forest Service to replace 4 miles of fencing, with 2 miles as priority.	Reconstruction of fence would require a crew and material, which is dependent on range betterment funding.
All pastures	Roads to improvements	Maintenance as necessary on Roadways	Forest Service is determining process.

If you have any questions, please contact A. Jamie Wages, Range Staff, at (480) 291 – 4500 or (928) 402 – 6222 or [andrea.wages@usda.gov](mailto:andrea.wages@usda.gov).

Sincerely,

  
MARK SANDO  
District Ranger
