Dear [REDACTED]:

On June 26, 2012, Kendell Hughes met with [REDACTED] to discuss your 2012 Annual Operating Instructions for the Town Tank Allotment. The pasture rotation and numbers as discussed and I've approved include:

<u>Pasture</u>	<u>Numbers</u>	<u>Dates</u>
East	14 head	July 15 to August 15
West	14 head	August 16 to September 15

The desired utilization level is 25% on key species in key areas and we would like to monitor utilization with you after the livestock leave a pasture. Adjustments to this rotation may be needed during the grazing season. By this letter, I also authorize you or persons employed by you to cut or remove any trees needed for fence posts and stays for maintenance of structural range improvements within the Town Tank Allotment. A copy of this letter must be in possession while engaged in any tree cutting. This letter will serve as your 2012 Annual Operating Instructions for the Town Tank Allotment. If you have any questions please contact Kendell, John, or Andy at (928) 368 – 2100 or 535-7300.

Sincerely,

/s/ Edward W. Collins
