File Code: 2210 Upper Campbell Blue

Date: July 6, 2015

Dear [REDACTED]:

The pasture use schedule of your 2015 Annual Operating Instructions for the Upper Campbell Blue Allotment has been amended as follows:

Pasture	On	Off	# Days	Comments
Turkey	7/1	8/31	62	50 head on Turkey to see how cattle use the pasture.
West	7/1	7/31	31	
Campbell/Castle	8/1	9/30	61	
Cienega	10/1	10/31	31	

This amendment is intended to reflect adaptive management strategies to minimize the conflict with the wolves currently on the Upper Campbell Blue allotment. Additionally this letter authorizes you to construct a temporary corral in the West pasture just off FR 37 due to the inability to drive cattle from the main corral in the Campbell pasture, as would normally be done, because of the location of denning wolves. Every other instruction in the 2015 AOI for the Upper Campbell Blue allotment, sent to you on May 1, 2015 should be followed.

If you have any questions and/or comments, please feel free to call me or my range personnel at (928) 333-4372.

Sincerely,

ED HOLLOWAY JR.  
Alpine District Ranger
