Dear [REDACTED]:

On June 7, 2012, Kendell and you discussed your 2012 Annual Operating Instructions (AOI) for the Chevelon Canyon Allotment. You requested non-use for the 2012 grazing season, which I have approved. This is the third and last year that I will approve non-use for permittee convenience. To retain your Term Grazing Permit #02-032 for the Chevelon Canyon Allotment, you must run livestock on the allotment during the 2013 grazing season. While in non-use, it is still your responsibility to maintain all existing improvements that are assigned to you within this Permit. If you have any questions please contact Kendell, or me at (928) 535-7300.

Sincerely,

/s/ Meckenzie Helmandollar-Powell (ADR)
